Dear Ladies

We are writing to you ahead of the monthly meeting on 6 October as arrangements are well in hand for our Centenary Lunch to be held at Bosham Village Hall on Wednesday 10 November, at 1.15 pm for 1.30 pm. We hope you will all sign up and support this very special celebration of 100 years of WI in Bosham.

Miranda Powley of Bosham Kitchen is catering for us and the menu choice can be seen below. As time is short, we would be grateful if you could decide your menu choice and advise us next Wednesday at our meeting. The last chance to book and pay is at the meeting on 3 November. On the day of the lunch you will then find your choices on your place card, as we have done in the past, for ease of serving and the risk of memory lapse!

Important: As Montessori may be in the Function Room we would only be allowed to go in through the Fire Doors. This will apply at next Wednesday's meeting too.

There will be a charge of just £10 per head, to include a glass of Prosecco when you arrive, and soft drinks at the tables. The costs of the remainder will be subsidised from our WI funds. If you could pay the Treasurers next Wednesday, 6 October, that would be very helpful.
